

Amendments to the Drawing

Applicants enclose herewith replacement sheets of the drawing in accordance with 37 C.F.R. 1.121(d). Applicants have made the corrections identified by the Examiner. The legend in Figure 2 in German as well as the designation "Diagramm 1" have been removed. The German language term has been replaced by its corresponding English language translation "casting capacity" for the Y-axis. No new matter has been added.

Enclosure: Replacement Sheets (2 sheets including figures 1 and 2)
